### THE KILLING OF SENATOR CARMACK.

A state warrant charging him with the murder of former United States Senator E. W. Carmack was served on Robt. Cooper at a hospital in Nashville, Tenn., yesterday. Cooper is now in charge of three deputy sheriffs. He will be removed to the county jail as soon as his condition permits.

The excitement in Nashville over the terrible tragedy Monday afternoon has to a certain extent abated, yet the shooting is still the sole topic of conversation in political circles.

Colonel Cooper, who was with his son when the latter shot Mr. Carmack, has been remanded to jail without bond, charged with murder.

It now develops, according to friends of Mr. Carmack, that there was a third party with the Coopers just before the shooting, a former county official, who is a close personal friend of both the Coopers and Gov. Patterson. Friends of the dead senator intimate that there will be sensational developments within the next day or so regarding the affair.

The first of many serious moves from that political faction which has been loyal to the late Senator Carmack in all of his career was made known yesterday when open announcement was made by Gilbert D. Raine, owner and editor of the Memphis News-Scimitar, that an effort would be launched also to impeach Gov. Patterson, of Tennessee.

Charges of having been aware of an alleged conspiracy to do bodily harm to Mr. Carmack are made.

Mr. Raine claims he voices the sentiment of the Carmack following in Tennessee by declaring that Carmack was not murdered by a man, but by a system.

"The News-Scimitar will employ every proper means it can command to impeach Mr. E. W. Carmack and remove him from the high office he secured by misrepresentation, deceit, force, and fraud, by such methods, as he and D. B. Cooper would devise," says Mr. Raine in an afternoon editorial.

Raine further attacks Gov. Patterson by charging that "Every selfish, corrupt, and vicious interest and institution in the state, including the governor, was behind Cooper and gave him cowardly aid and abetment to devise final pursuit of Carmack to his death. They felt Carmack was in their way."

Kennedy's Laxative Cough Syrup moves the bowels gently. Contains no opiates. It is pleasant to take, and children especially like the taste, so nearly like maple sugar. Sold by W. F. Orlighton & Co.

### LIABILITY OF CITIES.

Under a decision handed down yesterday afternoon in the United States circuit court of appeals in Richmond, cities are liable for accidents resulting from failure to keep their highways in good condition for public travel. The opinion was written by Judge Edmund Waddill, jr., in the case of the city council of Baltimore, Md., appellants, against Mrs. Frances O. Hutchinson, a widow.

John Hutchinson, the husband, was killed in an automobile accident on October 1, 1907. The verdict of the lower court was that the city was liable, in that a portion of Merryman's lane, a public highway, was not properly guarded while the city was constructing a concrete bridge over the tracks of the Maryland and Pennsylvania Railroad. The trial below resulted in an award of \$8,500 to the widow, this verdict being confirmed in the verdict being handed down yesterday.

The essence of the verdict is that the negligence of the chauffeur cannot be imputed to others in the automobile if they are not guilty of negligence. The opinion holds that the lower court properly instructed the jury that if they believed from the evidence that the accident was the result of the failure of the city to use ordinary and reasonable precautions to insure the safety of ordinary travel on its highways, the negligence of the chauffeur could not be imputed to the dead man who was riding in the automobile at the time, if he himself were not guilty of negligence contributing to the happening at the time of the accident.

It also holds that the city is bound to take such ordinary precautions as are reasonably necessary to make travel upon the highways safe, and that it is for the jury to say whether or not what is done is sufficient.

No false pretense has marked the career of Ely's Cream Balm. Being entirely harmless, it is not so noble like the catarrh snuff and powders for minds shattered by cocaine. The great virtue of Ely's Cream Balm is that it is specifically and completely effective on a nasal catarrh and hay fever. Back of this statement is the testimony of thousands and a reputation of many years' success. All druggists, 50 cents, or mailed by Ely Brothers, 64 Warren street, New York.

Dr. W. F. Gregory went on the stand at R. W. E. yesterday in the case brought against him by Miss Theodora Irvine on a charge of attempted assault. The dentist was cool and collected, but made a bad witness for himself. He admitted that he administered chloroform in dental operations without medical authority or without friends or physicians of his patients before present. The case will last a week longer.

**Sick Headache.**

This distressing disease results from a disordered condition of the stomach, and can be cured by taking Chamberlain's Colic, Cholera and Diarrhoea Remedy. Get a free sample at W. F. Orlighton's or Richard Gibson's drug store and try it.

**LOVERS OF MUSIC** are divided into two classes—those who produce it and those who listen.

**YOU can be one of those who PRODUCE MUSIC if you own a**

**Pianola Piano**

**WHY** remain longer satisfied merely to hear others play the piano, when you can just as well be the player yourself. THERE can be no question but that the pleasure of playing is vastly greater than that of listening.

**IF** you care at all for music, then **WHY NOT BE A PIANIST?** THE PIANOLA PIANO will supply you with the skill. It will also supply you with a perfect instrument for hand-playing. In tone, in action, in appearance, the Pianola Piano is unsurpassed.

**EVERY DAY** you do without a Pianola Piano you are missing a pleasure which thousands of other people have spent years of their lives to gain.

PIANOLA PIANOS are genuine only when they bear the names of the W. H. the Stock, the Wheelock, or the Storybrand Pianos. No other so-called Player-piano contains the Pianola or is equipped with such vital improvements as the

Metrostyle and Themodist.
